AN EVER-CHANGING STORY

#ThruJT

Special Edition  
South to North

[www.jordantrail.org](http://www.jordantrail.org)

Organized by:

The Jordan Trail unveils Jordan's beauty and its varying manifestations along the eastern rim of Jordan's Rift Valley. A transition between the Fertile Crescent in the north to the edge of the Arabian Desert and the Red Sea in the south makes for an ever-changing experience, showcasing Jordan at its most authentic. Join us on a mesmerizing journey and wander through the country's hidden treasures, explore the heights and depths of its wonder, and delve into its rich history and heritage.

*A good hiker is always prepared. If you see these boots, stay calm; they're there to tell you how difficult a section is.*

## REGION 8: RED SEA TO WADI RUM

Leaving the warm waters of the Red Sea and the port of Aqaba behind, you reach the first pass and the last view of the Red Sea and the Gulf of Aqaba, beyond which lie the mountains of Sinai. The trail here follows old shepherd paths, winding its way east across desert wadis and over granite mountains striated with basalt dyke intrusions. Continuing through the magnificent desert landscape, the trail passes the cliffs of Jabal Qattar and Jabal Khazali and

weaves between the unique and colorful backdrops of Wadi Rum’s sandstone desert mountains. Before arriving at Wadi Rum village, the trail passes beneath the towering cliffs of Jabal Um Ishrin and Jabal Rum through the iconic landscape of Wadi Rum – vast, echoing and godlike wrote T.E. Lawrence. Finishing at Wadi Rum village offers a taste of Bedouin life and hospitality.

*Break days are for thru-hikers only  
 Distance may vary depending on weather conditions and camping sites*

## REGION 7: WADI RUM TO PETRA

Connecting the two legendary sites of Wadi Rum and Petra is a week-long trek across one of the longest stretches of wilderness on the Jordan Trail. Here in the empty but striking desert, with its dramatic rock formations, stargazing and peace are found at their best. Starting with open, sandy plains and moving into deep, rugged wadis, this section of the trail takes you deep into the places where humans seldom go. This section's most dramatic and memorable aspect is the arrival at the Nabatean masterpiece, Petra.

## REGION 6: PETRA TO DANA

A truly inspiring section of the Jordan Trail and named by National Geographic as one of the 15 best hikes in the world. This section's most dramatic and memorable aspect is the departure at the Nabatean masterpiece, Petra. A chance to leave the city through the 'back door' to walk in the footsteps of ancient traders. Few other trails can boast a site as spectacular as Petra. The scenery spans from majestic and epic mountaintops to peaceful, fertile farmlands

with new landscapes presenting themselves every few kilometers. This region crosses several climate zones, diverse ecosystems, hidden canyons, and dramatic labyrinths of hills and valleys displaying the full spectrum of the region's geology. The trail climbs the hilltop village of Dana from Wadi Feynan leaving behind the dramatic mountain plateaus of Wadi Araba.

*Break days are for thru-hikers only  
Distance may vary depending on weather conditions and camping sites*

## REGION 5: DANA TO KARAK

The trail starts with easier terrain as it passes over the next hill to the restored village of Dana, its hotels and campsite resting on the rim of Wadi Dana at the edge of the Dana Biosphere Reserve, before moving on through the deep Wadi Labun. Passing by Edomite ruins at Sela and Ma'tan, the landscape becomes a series of towering limestone cliffs and ridges before reaching a Dead Sea canyon, Wadi Hasa.. Orchards and olive groves grow abundantly through fertile plains. The crusader landscape is manifested in this section, passing the abandoned village of Khirbet Ainun and the old crusader village of Shehabieh, until you reach the imposing crusader castle of Karak, impressively situated to overlook the surrounding landscape.

**BOOK NOW!**

**Days:** 5 hiking days and 5 nights

**Length:** 87 km

**Main sites in the region:**

- ▷ Karak Castle
- ▷ Khirbet Ainun village
- ▷ Tor al Taboun crags
